CASEWORK INTERN

AUGUST 2018 - MAY 2019

Eva worked as a Casework Intern at the TJC from August 2018 to May 2019 of her junior year at Vanderbilt University. After graduating from Vanderbilt with degrees in Public Policy and Medicine, Health, & Society in 2020, Eva spent two years working for a consumer protection plaintiffs' law firm in St. Louis, Missouri, Schlichter Bogard LLP.

Currently, Eva studies at the University of Chicago Law School. During law school, she worked as a clinic intern for Legal Aid Chicago and as a summer associate Sidley Austin LLP. Following her expected graduation in 2025, she will clerk for the United States District Court for the Eastern District of Missouri then return to Sidley Austin LLP in Chicago. She credits her time at TJC for inspiring her interest in pursuing a legal education and showing her the power of the law.
